

The Mid Pines Foundation - Campership Program

Mission Statement

The 'Mid Pines Foundation raises camperships funds and fosters strong alumnae connections to ensure the richness of a Waukeela experience is available to a diversity of families while fostering strong alumnae connections so that we may all keep Waukeela in our lives, long past our camping days.

The purpose of the Campership Program is to increase the diversity of campers and provide those who could not otherwise afford Waukeela Camp for Girls tuition with financial assistance for the purpose of attending a traditional, residential girls camp.

Objectives & Guidelines

The Mid Pines Foundation Campership Program is supported by donations from alumnae, family, and friends of Waukeela Camp for Girls and the Board of the Mid Pines Foundation (“the Board”). As a result the amount of camperships available are directly tied to funds raised by the Board.

Camperships are awarded annually on the basis of application and financial need. Financial need is determined based on the family’s annual earnings, the number of individuals supported by those earnings, and any extenuating circumstances, which make financial assistance necessary.

In order to create a sense of ownership for the camp experience, families of selected campers are expected to pay a portion of the tuition. The level at which each family is expected to contribute varies based on the individual family’s current financial situation and available campership resources. As such, the level of financial assistance may vary from year-to-year.

In providing financial assistance, the Campership Program may also serve to increase socioeconomic, racial, and ethnic diversity of the overall camper population. Special consideration may also be given to children of Waukeela alumnae.

Candidates for campership awards must complete the application process in total, which includes providing:

1. Financial information and circumstances requested within the below application form

2. A camper essay
3. May or may not include an interview (either face-to-face or telephone) with a designated member of the Board
4. Applicants MUST register for camp and pay a \$800 deposit through the Waukeela Website (deposit will be refunded if campership assistance is denied) by January 15th.

Camperships are awarded on a summer-by-summer and case-by-case basis. Campership recipients will be selected by vote of the Board or a designated committee of the Board, and decisions will be based on:

- Financial need
- The camper's demonstrated interest in attending camp, and overall Waukeela spirit and values
- If the camper has previously received a campership, and she and her family are in good communication and relational standing with both Camp and the Board
- Meeting the application deadlines

The camper's interest in camp and Waukeela spirit are evaluated based upon the camper essay, interview (as needed, per request of the Board), and/or information from the Camp Director and other staff or alumnae.

Being in good relational standing with both Camp and the Board includes the parent/guardian(s) (and/or when appropriate, the camper) communicating openly and honestly with Camp and the Mid Pines Board in a timely manner prior, during, and after the camp season.

No campers signing up for two weeks will be considered for a campership.
